

5 November 2022

004/Par/22

Dear Parents,

The FIFA World Cup will start in Qatar on 20th November. This year's FIFA World Cup is the first time in its history that a World Cup has been hosted in the Middle East. Therefore, as a celebration, we are going to be holding a World Cup themed day in school on Friday 18th November.

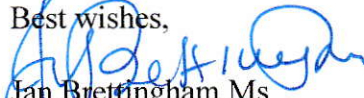

Each class from Reception to Grade 4 will be given a country to celebrate and learn lots of new exciting facts. Children are allowed to come to school wearing the colours of the colours of the chosen country. We ask they bring their normal packed lunch and the timings of the school day remain as usual.

Class teachers will inform parents which country their child will be celebrating and the colours of that country in homework diaries and Seesaw.

We are extremely excited to welcome the children to join us for our World Cup themed day!

Thank you for your kind help with this fun day.

Best wishes,

Jan Brettingham Ms
Principal
