Dear Grade 11 Parents,

I hope you are well and have had a good summer vacation. All students have been informed of the release dates for the IGCSE/GCSE results for Pearson and Cambridge via seesaw on 7 August, which was indicated but during the rather hectic end to the summer term.

I have set up the results for IGCSE/GCSE Pearson on Results Plus using their school email, that is e.g.johnsmith@fpa.sch.ae

The link has been sent to the school email so they can set up their own password. If they do not activate then results will be in hard copy and left at security.

A PDF with the individual link has been sent to the school email address for Cambridge results.

Results are issued as follows to comply with examination board regulations:

Cambridge IGCSE 18 August 2026 at 09:00 AST (local UAE time). Hard copies will be left with security from 09.00 am.

Edexcel International GCSE results Thursday 20 August 2026 12:00 PM (noon) UAE time. Hard copy of results will be left with security from 12.00 PM Thursday.

If students are having problems with their school email account, then send a message to Mr Philip on philip.george@fpa.sch.ae with full name and he will reset the password and assist.

Should parents and students wish to discuss these results then it would be most helpful if an email could be sent to admin@fpa.sch.ae with the full name of the student and parent availability and a mutually convenient time will be arranged.

Best wishes,

Jan Brettingham Ms

Principal
