Dear Grade 12-13 Parents,

I hope you all had restful summer vacation. May I congratulate the students of Grade 12 and 13 on the results they achieved. Grade 13 students have gained entry to their first choice of university and Grade 12 have grades which will allow them to gain Thanawa Ama equivalency and move to the next stage of their educational journey. It was achieved at a time of uncertainty, and they applied themselves fully to this goal. All papers were forwarded to the UK on the secure server by me and it seemed an endless task but well worth it. The examination boards then marked and moderated the papers; this was not the role of the school. Very well done to the teaching staff who so thoroughly prepared the students with additional help when needed.

Students wishing to gain equivalency need to contact Mr Mamdouh and we will check on Monday that all the documents are ready. This will involve coming to school to do the equivalency, but it needs to be prearranged as staff training starts on Monday 17th. Please make an appointment with Mr Mamdouh through Ms Hanan in the office to ensure he is free to take you through this procedure.

Again, to all, well done! And I look forward to hearing about our students' future journey after they leave us and please ensure I am informed of the course and which university is accepted.

Best Wishes,

Jan Brettingham Ms

Principal
